

Greetings Virtual Participant(s):

All participants MUST register first for the Walkathon before participation can begin. Once registered at [www.DCFCCA.us](http://www.DCFCCA.us), participants can immediately start walking by breaking down their miles daily until the Walkathon starts. When the three miles have been completed in your neighborhood, local park, or area of your choice take a picture or a short 1-minute video of yourself repping your FCCPride. Send the email with a video or photo to [dcfcca.pride@gmail.com](mailto:dcfcca.pride@gmail.com). Also, participants can follow us on our Instagram page **@FCCPrideWalk** and walk live with us on the day of the Walkathon event.

Thank you for contributing and participating in DCFCCA's 1st Biennial Walk for Family Child Care Historical Event.

Remember to tag and follow us on Twitter **@DCFCCA23** or Facebook at **DC Family Child Care Association** and on Instagram **@FCCPrideWalk**.
